

Fundraising Commitment TAX DEDUCTIBLE

Your child's tuition covers only 70% of our expenses to run NJYS. We need YOUR help to continue to offer your child and others like him/her this transformational orchestra experience.

There are two ways you can help (choose one or both!)

- Add your tax deductible gift of \$295 to your tuition payment (click box to the left)
- Commit to raise at least \$295 by asking your family, friends and business associates to make a financial contribution to our annual Playathon fundraiser.

Your gift helps NJYS:

- To provide tuition assistance
- To purchase and maintain musical instruments
- To provide the opportunity to perform in prestigious venues around the state
- To provide coaches during regular rehearsals to offer an even greater learning experience

Thank you!
