Better Together!

2023
2024
SEASON

Dear Wharton Arts Family and Friends,

Welcome to the 23-24 season at Wharton Arts! This season is dedicated to promoting excellence and equity in performing arts education, celebrating the power of collaboration, and the strength that comes from working together. We are **Better Together!**

We are thrilled to present a diverse lineup of events and performances showcasing remarkable talent within our community. From intimate **Salon Series** concerts with esteemed faculty to the intergenerational musical production of **Seussical** by the Wharton Community Players, to online workshops for students of all ages - there's something for everyone to enjoy. The **Signature Concert** series, presented by the New Jersey Youth Symphony, will feature performances by some of the state's most advanced young musicians.

I invite you to witness the incredible talent of our young musicians in **chamber music concerts**, the **Honors Recital**, and the ensembles of New Jersey Youth Chorus and Paterson Music Project. These performances celebrate the growth, dedication, and creativity of our students, highlighting the impact of their musical journey in supportive and inclusive communities.

Join us in celebrating the New Jersey Youth Symphony's **45th Anniversary Season** with an exciting Alumni Weekend on May 4-5, 2024. Throughout the season, you will experience premieres of new compositions and beloved music from our inaugural season in 1979. Alumni are warmly invited to perform alongside current students at the 2024 **Playathon** and our spring concerts in May. Let's honor the vibrant history and bright future of NJYS together.

During the month of December, we have exciting concerts and events to fill your hearts with joy and the holiday spirit. Enjoy the Wharton Players' production of **Beauty and the Beast Jr.**, New Jersey Youth Chorus' **Readings and Carols**, the **Holiday Kids-for-Kids Choral Festival** by the Paterson Music Project Choir, and the **All That Jazz Holiday Concert** featuring the NJYS Youth Symphony and Jazz Orchestra. These will be memorable experiences for all members of our community.

In addition to performances, we've planned an informative **Parent Circle Series** offering insights into supporting student musicians. These discussions cover a range of topics, including preparing college applications and supporting neurodiverse children in their study of music.

Join us in experiencing the transformative power of performing arts in the 23-24 season at Wharton Arts. Together, let's create moments of beauty, connection, and inspiration that resonate for a lifetime. Wharton Arts is because YOU are, and WE are **Better Together!**

Musically Yours,

Helen H. Cha-Pyo
