Helen H. Cha-Pyo, Artistic Director

Dear **Wharton Arts** Community,

Welcome to the 2025–2026 season at Wharton Arts! I'm thrilled to invite you into a year that dares us to dream boldly, listen deeply, and arise together with purpose.

Our theme, **Arise!**, calls us to create with courage and connect across generations and cultures through **Artistry**, **Representation**, **Inspiration**, **Self-Expression**, and **Empathy**.

This season, **Arise!** is more than a theme. It's an invitation to action. In a world yearning for light, we turn to the arts to uplift voices, spark imagination, and celebrate the brilliance of our students, faculty, and teaching artists. Through meaningful learning, inspired teaching, dynamic performances, and inclusive programming, we'll build a vibrant community rooted in creativity, collaboration, and hope.

**Let us arise together!**

With gratitude,

**Helen H. Cha-Pyo**

Artistic Director & Principal Conductor

# WhartonARTS

Helen H. Cha-Pyo, Artistic Director

Spring invites us to look ahead with optimism, purpose, and renewed energy. I am truly delighted to be part of Wharton Arts at this exciting and pivotal moment in our history.

My connection to this organization is deeply personal. For thirteen years, I watched my own children grow and thrive as members of the New Jersey Youth Chorus. The joy, artistic training, and personal growth they gained here were transformative for our family. Driven by a desire to steward that same experience for future generations, I joined the Board of Trustees two years ago. Now, as Interim Executive Director, I am committed to providing the steady leadership and strategic vision necessary to ensure more families can find the same inspiration and community we did.

At the heart of our future is the integration of our four signature programs: the **New Jersey Youth Chorus**, **New Jersey Youth Symphony**, **Paterson Music Project**, and **Performing Arts School**. Together, they form a connected artistic pathway that nurtures young people at every stage of their creative journey. By strengthening collaboration across these programs, expanding access, and deepening our community impact, we are creating opportunities that extend far beyond the stage.

While each program has its own distinct voice, all are guided by a shared belief in the transformative power of the performing arts. Thank you for being part of this journey. I look forward to all we will create together this spring and beyond.

**Erika Fanelle**

Trustee, Interim Executive Director
